

COMPANY OVERVIEW

About Us

The year 2000 is when AIRCON CONSULTANTS established, we are located at Hubballi. The company provide services for the Civil Engineering Projects. Conducts high precision Surveys and Investigation works.

Is equipped with the latest Survey Equipments like DGPS, TOTAL STATION, DIGITAL LEVEL, DISTO METER and BATHYMETRIC INSTRUMENTS, and operated all over and also outside Karnataka. Providing surveying and design services in the field of Water supply and UGD system, Water retention structures, etc.

AIRCON CONSULTANTS has a rich experience in successfully executing numerous projects across various sectors, including:

Urban Infrastructure Development: We have played a pivotal role in developing sustainable urban infrastructure, including water supply and sanitation systems, roads, and drainage networks.

Rural Infrastructure Development: We have actively contributed to improving rural infrastructure, providing clean water, sanitation, and transportation facilities to enhance rural livelihoods.

Industrial Infrastructure Development: We have provided comprehensive engineering services for industrial projects, for their planning of industrial layouts.

Government Schemes: We have involved in preparation of Design's and Drawings for various government schemes, including UIDSSMT, AMRUT 1 and 2, demonstrating our commitment to national infrastructure development goals.

Office: 1st Floor, Wari Complex, Adjacent To Sumangala Complex,
Opp-HDMC Main Gate, Lamington Road, HUBLI 580 - 020

WE AND OUR CLIENTS

When you choose AIRCON CONSULTANTS, you are partnering with a team of experts who are dedicated to providing exceptional service and delivering exceptional results.

We work closely with our clients to understand their unique needs and develop customized solutions that exceed expectations. We are committed to collaborating with our clients to achieve their project goals.

OUR CLIENTS

- 1) Karnataka Urban Water Supply & Drainage Board
- 2) Central Public Works Department
- 3) Karnataka Industrial Area Development Board
- 4) Karnataka Housing Board
- 5) Effective Architectural Services - GOA
- 6) JSS Institutions
- 7) AKHIL INFRA PROJECTS
- 8) Sri Subha Sales - Bangalore
- 9) B.S Infra Projects
- 10) M.N Ramesh
- 11) Shonan Engineering Pvt Ltd
- 12) Larsen & Toubro
- 13) CIVET Projects Pvt Ltd
- 14) Aminbhavi & Hegde Dharwad

EXPERTISE AND ACCURACY

OUR FIRM HARNESSES ADVANCED TOOLS LIKE TOTAL STATIONS, GNSS RECEIVERS (DGPS) , GIS, AND HYDRAULIC DESIGN SOFTWARE (WATERGEMS) TO ENSURE PRECISE PLANNING AND EXECUTION OF PROJECTS. OUR COMMITMENT TO EXCELLENCE IS EVIDENT IN OUR COMPREHENSIVE SERVICES AND STRATEGIC PARTNERSHIPS, PAVING THE WAY FOR SUSTAINABLE URBAN WATER MANAGEMENT SOLUTIONS.

COMPANY SERVICES

Survey Services

- Detailed Engineering Survey for Water Supply Works
- Detailed Engineering Survey for Irrigation Development Works
- Detailed Engineering Survey for Underground Drainage Works
- Route Alignment Survey Works for Irrigation Network, Roads, and Railways
- Bathymetric (Hydraulics & Hydrology) Survey
- Oil and Gas Alignment Survey
- Land Development Projects

Design Services

- Hydraulic Design for Water Supply Pipeline Network from Source to Distribution System (Rising Main & Gravity Main)
- Hydraulic Design for Underground Drainage Pipeline Network
- Surge Analysis of Water and Sewerage Systems
- Design of Conventional WTP Components
- Design of Lamella Settler
- Design of Pressure Filters and Other Unconventional WTP Components
- Design of RO Filters
- Design of Nano Filters
- Design of Ultrafilters
- Design of MBBR
- Design of SBR
- Design of MBR
- Design of ZLD Plant
- Design of Sludge Management Systems
